GPG15 HIGH-EFFICIENCY PACKAGED GAS/ELECTRIC UNIT

Thank goodness for Goodman.®

Air Conditioning & Heating

COMPACT, ALL-IN-ONE UNITS HELP SAVE VALUABLE SPACE

Keep your family in energy-efficient comfort for years to come. The Goodman® brand GPG15 Packaged Gas/Electric Unit provides value and indoor comfort to homeowners and small businesses while helping to lower energy bills as compared to lower SEER units.

COMFORT. SAVINGS. PERFORMANCE.

Goodman brand Packaged Units sit on the ground or rooftop outside your home or business and deliver quiet, year-round cooling and heating comfort from a single, self-contained unit. The energy-efficient GPG15 Goodman Packaged Gas/Electric Unit operates as an air conditioner during the summer, and a gas-fueled furnace during winter.

EXCEPTIONAL QUALITY

You can depend on well-designed, top-quality, thoroughly tested products.

Our production facilities are focused on strict, quality-driven processes. This quality focus ensures a trouble-free installation and long product life.

RELIABILITY AND LONG LIFE

One of the most critical components of a packaged gas/electric unit is the heat exchanger. Our aluminized-steel tubular heat exchangers provide incredible durability and heating capacity. Additionally, the Goodman brand GPG15 Packaged Gas/Electric Unit utilizes a reliable Direct-Spark Ignition System and integrated controls with on-board diagnostics, plus a combination redundant gas valve and regulator for further safety and reliability.

Our GPG15 Packaged Gas/Electric unit also boasts a high-performance, energy-efficient compressor, which operates in tandem with our high-efficiency coil. The coil is made of refrigeration-grade copper tubing and aluminum fins in a design that maximizes surface area. These high-quality components together cool your home effectively while saving you money on your energy bills as compared to lower SEER units.

IMPRESSIVE FEATURES & BENEFITS: **GOODMAN® BRAND GPG15** **HIGH-EFFICIENCY PACKAGED AIR CONDITIONER**

- 20-Year Limited Warranty* on the Heat Exchanger
- 10-Year Parts Limited Warranty*
